Dear Ma'am/ Sir,

Greetings from Skill Source(National Technical Institute)!!

This has reference to our telephonic discussion regarding conducting Placement drive for enrollment of candidates in Royal Enfield sponsored Dealer Sales/Service Consultant Program. Please find the below mentioned details and attached files for your reference.

### About Skill Source(National Technical Institute) :

Skillsource is part of world's largest automotive consulting and training group Sewells-MSXI. Sewells Group works with every single Automotive Manufacturer and holds 60% of automotive training market share in India. We have our headquarter in Detroit and we train and deploy more than 5,00,000 candidate every year.

Skillsource is set up with the vision of "Changing the lives of people" through skill building and placement of Indian youth who are deprived of quality education. Skillsource has signed long term MoU with leading Automotive manufacturers and financial institutions to provide employment to students of Skillsource. NTI is training partner of Royal Enfield and is responsible for conducting mobilization drive, enrollment, training and providing placement assistance to candidates who successfully complete
